Oops, one more thing. I meant ask the status of getting a rep from Kearny to join the group? I think that would be really helpful as we get into more detail on the removal.  
Thanks!

Hi All.

Wanted to share this in advance of the call next week, in case you see anything in particular in this that you'd like Tierra include in their presentation. Also, I thought it might be worthwhile before the meeting on Thursday to maybe share this with the rest of the CAG? I'll let that be your call.

Anyway, I hope you all had a great New Year's and I'll talk to you next week.

Elizabeth
